

דולב יהוד הי"ד

Dolev Yehud, 35, of Kibbutz Nir Oz, father of four and volunteer medic, was murdered by Hamas terrorists on October 7. Presumed a hostage, his remains were found inside Israel and only just identified. Following DNA examination, the IDF has confirmed that a previously unidentified body was that of Dolev. He is survived by his wife and four children, one of whom was born on October 16, while Dolev was still believed to be in Hamas captivity. His family were notified of his death on June 3.
